Dear Patient,

We are writing to inform you that Meghan Rees, MHC-LP, will no longer provide care at Community Care Integrated Behavioral Health as of July 19, 2024.

As a patient, rest assured that CCP Integrated Behavioral Health will ensure your ongoing care. We have a team of mental healthcare providers who have been longstanding members of our team and can serve as your practitioners. As Meghan's patient, you do not need to do anything currently. We will need to cancel your upcoming appointments with Meghan, and you will be contacted by a staff member by email/text, or phone to schedule your appointments with another provider.

You will not need to transfer records because they are available in our shared electronic medical record, and each practitioner at our practice has access to your pertinent medical information for continuity of care.

It is truly our pleasure to care for you. On behalf of our practice, we want to thank you for trusting CCP Integrated Behavioral Health through this transition and with your continued care. If you have any questions, please feel free to contact us at 518-881-1109.

Sincerely,  
Your Care Team at Integrated Behavioral Health
