

Troy Family Physicians at Wellness Way

6 Wellness Way, Suite 106 • Latham, NY 12110

Phone: (518) 237-7363 • Fax: (518) 237-8995

Russell Wenacur, MD

Dear Patients,

We are reaching out to inform you that Dr. Russell Wenacur has made the decision to leave Community Care Physicians (CCP) and will be taking the role of Chief Medical Officer at the Center for Disability Services in Albany. He will be providing a full spectrum of primary care services to all of his existing patients who wish to follow him to this new location, as well as overseeing the care of patients with disabilities.

Dr Wenacur's last day seeing patients at Troy Family Physicians will be April 30, 2025, at which point, Troy Family Physicians will close. We sincerely thank Dr. Wenacur for his dedicated care and commitment to his patients and wish him the very best in his new endeavor.

If you would like to continue your care with Dr. Wenacur, you can contact his new practice at (518) 437-5969 and speak with Jennifer or (518) 437-5733 to speak with Michelle to schedule an appointment and to have your medical records forwarded to the Center for Disability Services. Center health care is a fully equipped primary care health facility ready to continue to provide the exceptional quality of care you have become accustomed to receiving directly from Dr Wenacur and his staff.

If you choose to leave CCP, you can also request a copy of your medical records online at communitycare.com/request-medical-records or by calling our office at (518) 237-7363.

If you have an upcoming appointment with Dr. Wenacur before April 30, you can discuss your transition options during your visit. If you have an appointment after April 30, that appointment is cancelled. With the closure of our practice, Troy Family Physicians must discharge you from this practice effective April 30. Until this date, you may call our office for routine or urgent matters. If you are on medications, our office can provide refills until April 30, and we can provide you with a 30-day prescription if needed.

If you wish to stay with CCP, we can easily accommodate your care in the same location at Wellness Way or elsewhere with one of our experienced providers throughout the Capital Region. Thanks to our integrated electronic health record system, your medical records are already accessible to all CCP practitioners, ensuring seamless continuity of care.

Two nearby practices you may consider are:

Capital Region Family Medicine (located in the same suite as Troy Family Physicians)
