

To our valued patient,

We previously notified you of Dr. Jessica Chapman's departure from Community Care Rheumatology and CCP, effective February 2, 2026. **If you have not already contacted us, please contact Community Care Rheumatology at (518) 782-3899 by March 13, 2026**, to let us know where you intend to receive rheumatology care moving forward. We are keeping track of our patients to ensure continuity of care.

Your options:

1. Continue care with Dr. Victoria Michaels, Marissa Page, NP, or Barbara Nguyen, PA-C

This is the most seamless option. These three providers will continue practicing at Community Care Rheumatology until April 1, 2026, at which point they will all transition to Albany Med Health System, and Community Care Rheumatology will close. Dr. Michaels, Marissa Page, and Barbara Nguyen will continue to offer the same rheumatology care in the same Latham location under a new practice name as Albany Med providers:

Albany Med Rheumatology & Infusion Center

6 Wellness Way, Suite 113, Latham, NY 12110

Phone: (518) 262-5405 (*after March 30*)

Fax: (518) 262-2107

Dr. Victoria Michaels, Marissa Page, NP, Barbara Nguyen, PA-C

Albany Med already has a well-established rheumatology division with expanded specialty resources and a rheumatology fellowship program through which many rheumatologists have trained over the years. This transition ensures continued access to comprehensive rheumatology care in our community, support for the existing rheumatology team, and long-term stability for continued patient care.

If you wish to continue with these providers, call (518) 782-3899 before March 13, 2026, and we will note your request in your chart and send your medical records to Albany Med to continue your care.

2. Follow Dr. Chapman or transfer care to another rheumatology provider

If you wish to follow Dr. Chapman to her new Queensbury location at Hudson Headwaters, or to transfer to another provider of another practice, call (518) 782-3899 before March 13 so we can coordinate a new referral and transfer your records to your rheumatologist of choice.

If we don't hear from you by March 13, 2026, you'll need to contact CCP Central Medical Records at 518-783-3110 ext. 3119 to leave a message with your information to transfer records. Please note: your new rheumatology practice will require records before scheduling your next appointment. It's important we hear from you before our providers transfer to Albany Med and Community Care Rheumatology closes.

Effective April 1, 2026, with Community Care Rheumatology's closure, you will be formally discharged from the practice as operations and providers transition to Albany Med.

We are committed to ensuring continuity of care with as little disruption as possible. Please contact us promptly if you have not already done so. If you have questions or need assistance, our team is here to help.

Sincerely,
Community Care Rheumatology
Community Care Physicians
