Christopher Bloss, MD • Caitlin Danaher, FNP-BC • Deborah Hirt, FNP, CNM • Caitlyn Sartori, FNP-BC

Dear Patient,

We're writing to let you know about an upcoming change at Capital Region Women's Care. Beginning January 1, 2027, we will no longer see patients at our Clifton Park location. Our providers and staff will be together at our North Greenbush office at 101 Jordan Road in Troy, where we will provide care five days a week.

We know many of you appreciate the convenience of our Clifton Park location, and we understand this may be a change for you. Currently, we split our team between two locations to provide care in Clifton Park one day a week. Bringing our team together in North Greenbush will allow us to better focus our staff and resources and provide more consistent scheduling and access to care five days a week.

If you have an upcoming appointment scheduled at our Clifton Park office on or after January 1, 2027, you will receive a separate communication (via text, email or phone call) with your updated appointment details at our North Greenbush office, including any changes to the date, time, or provider, depending on the reason for your visit. You can continue to count on expert care from our team, with Dr. Christopher Bloss focusing on complex gynecologic care and surgery, and advanced practitioners Deborah Hirt, Caitlyn Sartori, and our newest NP, Caitlin Danaher, providing routine gynecologic care. We will work with you to make the transition as smooth as possible.

Our North Greenbush office is located in a multispecialty medical building with ample parking and convenient access from I-90 and I-787. Lab, imaging, and podiatry services are also available in the building.

We recognize that changing locations can take some getting used to, and we appreciate your understanding. Most importantly, while our location is changing, our commitment to you is not. Capital Region Women's Care will continue to provide comprehensive women's health care in North Greenbush. If you have any questions, please call our office at 518-274-0476.

Thank you for trusting us with your care.

Sincerely,
The Providers and Staff of Capital Region Women's Care
